

Woody Things

Summer Loving continued, July 2015 Newsletter

We hope you've been enjoying your summer so far. We here at WoodyThings have been taking advantage of the warmer weather and working outdoors as often as we can.

The month of June kept us quite busy. On June 6th we participated on our second [Celebrate Shelton Downtown Handmade Market](#). This was a blast because we met new local artists and crafters, listened to a few live bands, and we even had several new repeat customers!

Custom Orders

This past June we celebrated Father's Day, which brought us a few custom orders like this Superman Logo Keepsake Box, a Golf-Inspired Keepsake Box, and a wall-mounted Race Medal Display (this one was themed after the Spartan Race).

New Products

In addition to the items listed above, we added some rocking heavy metal (pun intended) to our items. We created a few industrial-themed wood and metal items, such as the Industrial Desk Lamp complete with an Edison bulb, a Wood and Iron Watch Stand (perfect for storing your watches, bracelets and fitness bands like Fitbits, etc.). Lastly, we have an all-iron Industrial Pipe Tablet Stand/ Take a look and let us know what you think!

June DIY's

As you know, we love trying out new Do-It-Yourself projects and sharing them with you. In case you missed them, here are a few of those DIY's below. From left to right here's our Framed Pressed Flower display, a Re-purposed Toolbox Charging Station, and finally a Father's Quote and picture holder.

**Remember, if you give any of our DIY's a try be sure to share your pictures with us. We'd love to feature your take on our designs in one of our upcoming newsletters :)

Crafts for Kids

Now that school's out and summer time is here, we've got some really fun projects and experiments you and your kids can do together. Earlier this week we showed you how to make [paper lanterns](#), and next week we'll show you how to blow a balloon using just a few household ingredients I'm sure you have in your kitchen cabinets right now! We will be posting several projects each week so be on the lookout and check often.

Here's a list of projects we've got coming up:

- Bird Feeder's and Birdhouses
- Science Projects
 - Safe Chemicals Rocket Launcher
 - Tye Dye Flower
 - Mentos and Soda Reaction Experiment
 - Magnetic force magic
- Bedroom Chalk Board Sign
- Family Tree Art
- Origami "How To" series
 - Ninja Stars
 - Birds
 - Planes
- Kid friendly Canvas Painting Ideas

In June we were excited to announce our very first giveaway! All you had to do was sign up for this monthly newsletter, no purchase necessary. We thank all of you for signing up to receive our newsletter, and we hope you enjoy reading them.

On Friday, July 3rd at 6pm, we will be announcing the winner on WoodyThings.com, and we will share the news on Instagram, Facebook and Twitter. The winner will be sent an email informing them they have won, we will ask for a shipping address, and lastly, we'll ask for their choice between one of the three items below.

- 1 [USA Picture Display](#)
- 2 [Flag Clock](#)
- 3 [Family Birthday calendar](#)

Good Luck to you all!

Until next month, have a fun filled and safe summer!
