Summer Loving, June 2015 Newsletter

Summer is (*almost*) here and we are very excited to get our summer-on!

This month's **WoodyThings** theme is Father's day (celebrated in the U.S. June 21st) and Patriotic, as we get ready to celebrate Independence Day (celebrated July 4th). This month's Do-It-Yourself tutorials will be fun and easy gifts for a father figure in your life. The gifts will also be patriotic in nature, showcasing projects and décor you can make yourself to represent #Merica!

If you like any of the DIY's but don't have the time or tools to make them, let us know by clicking the link at the end of each post and we'll make them for you!

As a member of our eNewsletter, you're among the first to know that....
